Part IV Supplemental Information. Provide the information required in Part I, line 2; Part III, column (b); and any other additional information.

Part I, Line 2:

Grant payments to organizations are initiated by recommendation from a donor, review committee, or by the terms outlined in the fund agreement. Grants initiated by a donor or review committee are authorized via a grant recommendation form or minutes of the committee meeting. Grants initiated by the fund agreement are scheduled for payment according to the terms set forth in the fund agreement. Prior to awarding a grant, a determination is made that the organization is a qualified US charitable organization as described in Section 170(c)(1) or (2) of the Internal Revenue Code.

Part IV Supplemental Information

For grants to organizations, an award letter is sent with each grant check. The award letter clearly states the purpose of the grant and the terms of the award which include that the organization will use the grant only for the purpose stated in the letter. The award letter also states that by depositing the grant check, the organization agrees to and accepts the terms of the award.

There are several follow-up activities employed to monitor the use of grant funds to organizations. For grants issued from a field of interest fund, the organization receiving the grant is expected to prepare a project evaluation. Donors may request project evaluations for grants issued by donor advised funds. Some of the awarding committees meet with grant recipients. Workshops and planning sessions are offered for some of the grant recipients. In some cases, recipients of grants from designated funds are required to submit a report before receiving additional grant money.

Grant payments to individuals are initiated by individual high schools or scholarship recommendation committees using a recommendation form. MaineCF complies with the requirements of H.R.4, the Pension Protection Act of 2006, for the scholarship selection process. A "Terms of Award Letter" is sent to each student who is awarded a scholarship. The student must sign and return the letter, confirming the school he/she will be attending. If the student does not reply, the award is rescinded.

For all scholarship grants to individuals, the check is made payable to the institution for the benefit of the student and is mailed to the institution. Along with the check, a letter addressed to the institution

Part IV Supplemental Information

and the student is sent explaining the specific purpose of the award and the timeframe it covers. The staff at the institution is required to sign and return a copy of this letter.
